## **HISTORY**

Ampla Health originated in 1964 in the form of a medical care project for migrant farm workers under the State Farm Workers Health Service and Migrant Health Act Fund. It operated under the name of Sutter-Yuba Farm Workers Health Project as a night clinic in the Sutter County General Hospital. The County of Sutter was grantee for the funds.

On June 5, 1973, the Consumer Advisory Board incorporated as a non-profit organization, at the suggestion of the Department of Health, Education, and Welfare, to become Northern Sacramento Valley Rural Health Project, Inc. This corporation became the grantee for the 1973-74 Migrant Health Act Funds and continued to provide the same basic health care services. With more funding and a full-time Executive Director, it was possible to expand the service area from Sutter and Yuba Counties to Butte, Colusa, and Glenn Counties. In December 1993, the corporate name changed to Del Norte Clinics, Inc. and in April 2011, the corporate name changed to Ampla Health. The dates our clinics began are as follows:

**Oroville Medical** ..... May 1974  
Oroville Dental ..... March 1989  
**Orland Medical** ..... November 1975  
Orland Dental ..... September 1991  
**Hamilton City Medical** ..... November 1977  
**Lindhurst Medical** ..... July 1978  
Lindhurst Dental ..... September 1980  
**Gridley Medical** ..... December 1978  
**Richland Medical** ..... October 1985  
**Chico Medical** ..... September 1991  
Chico Dental ..... June 2002  
**Colusa Medical** ..... December 1992  
**Yuba City Medical** ..... February 1997  
**Yuba City Pediatrics** ..... January 2002  
**Arbuckle Medical** ..... November 2007  
Arbuckle Dental ..... December 2007

Many other services are offered through this organization. Ampla Health tries to remain flexible and responsive to the needs of the communities it serves.
